ADINET [Advancing Information Network in Gujarat]

ADINET has organized a **Workshop on PubMed** on Saturday 29th February 2020 at Sadvichar Pariwar. It is well know that PubMed is a free search engine accessing primarily the MEDLINE data base of references & abstracts on Life sciences and Bio-medical topics. It comprises more than 28 million citations for Bio-medical literature from MEDLINE, life science journals & online books. Citations may include links to full text content from PubMed Central & publisher web sites.

This Workshop will be very useful for all Medical College Librarians, also students and staff of medical institutions. Dr. Chinmay Shah, Associate Professor at Government Medical College in Bhavnagar and Dr. Parag Chavda, Assistant Professor at GMERS Medical College in Vadodara have kindly agreed to be the Resource Persons for this Workshop.

This Workshop will help to:-

- Enhance your knowledge of MEDLINE Database
- To Analyze & implement Medical Subject Headings (MeSH)
- Employ features & functions of PubMed for use in searching
- Discuss Instructional Techniques
